This was my philosophy and practice when leading New Life Fellowship Phnom Penh and New Life Fellowship of Churches Cambodia from 1997 – 2006.

Philosophy and Method of Training Leaders

**THE MISSION OF**

New Life Fellowship:

To plant a New Testament Church in Phnom Penh and train Cambodians to pastor and lead that church. To plant churches with the same foundation and philosophy in each province in Cambodia and throughout Southeast Asia.

**OUR GOAL:**

At New Life Fellowship we want to develop Christians who:

- Grow in their ability to pray,
- Understand and apply the Bible to this life,
- Speak in the world as witnesses of God’s love.

1. Leadership Training is the Lifeblood of What We’re Doing in Cambodia

2. We Recognize Leaders Have Various Levels of Gifting, But I Look at Every Leader as a Potential Bible Teacher and/or Small Group Leader.

3. We Use 2 Timothy 2:2 as Our Guiding Principle for Leadership Selection and Training.

4. We Use the Principles Outlined in “The Master Plan of Evangelism” as the Methodology of Leadership Training:

   a. Show Them
   b. Tell Them
   c. Allow Them
   d. Correct Them
   e. Supervise Them
   f. Release Them

5. We Preach the Vision and Clarify and Re-emphasize it Over and Over Again.

6. Communication in Every Way is Essential.

7. Evangelism is Part of Everything We Do.
