Remember this: The farmer who plants a few seeds will have a very small harvest. But the farmer who plants because he has received God's blessings will receive a harvest of God's blessings in return. Each of you should give whatever you have decided. You shouldn't be sorry that you gave or feel forced to give, since God loves a cheerful giver. Besides, God will give you his constantly overflowing kindness. Then, when you always have everything you need, you can do more and more good things. (2 Corinthians 9:6-8 GW)
Application and Reflection Time

What have been yours and the churches mindset about daughter church planting up to this time?

What are the biggest barriers to a reproductive mindset in your church? How will you overcome these barriers? What are your next steps?

What do you need to put in your calendar to work on in 3-4 months? What will you implement in 12-18 months?

Some churches that successfully reproduce see their daughter churches become sterile. How can you make sure reproduction continues generation after generation?

How will you keep reproduction as a continual priority for your church?
If you use PowerPoint Slides:

- Use the “Notes” Section of a PowerPoint Slide
- Print the slides as “Notes Pages?”

JUDGE SELF AND OTHERS — Because of How
When we judge others we feel better about ourselves.
- We don't understand our value
- We don’t understand their value
- We are afraid we will be rejected, abandoned, they will choose someone else
- Do your best and trust God
1 Corinthians 4:3-5

"But I am afraid... that when I come again, I will not find your faith doing well, or remember you in the day of the Lord Jesus. Do not be deceived. Each person should test their own work, whether that work be found good, so that he himself may receive credit for it in that day..."
Practice your lesson:

- Read your lesson and Bible verses again and again
- Imagine yourself at the location
